

On the bod: The Paris Bikini

No, you haven't heard enough about Paris Hilton to last a lifetime. In fact, you now want to immerse yourself in all things Paris – why fight it anymore? The best place to start is with her namesake bikini from [1690 Swimwear](#), who are graciously offering 20% off this little pink number (or is it kind of orange? Who's to say these days...) in honor of her release from jail. C'mon, you know you want one. Or six.
